Differentiation and supports

Support area	This week's plan
Special education / IEP	Reduce group size; pair visual cue cards with all verbal directions; allow gesture or picture response in place of speech; pre-teach the week's target in a 1:1 warm-up.
Section 504	Provide the child's documented accommodations throughout; permit movement breaks and alternative seating at any point in the sequence.

Support area	This week's plan
Multilingual learners	Introduce each vocabulary word with an object or image; accept home-language responses; send the vocabulary list home where a translation is available; pair with a peer who shares the home language.
Advanced / extension	Ask the learner to teach the skill to a peer, extend the task, or record a demonstration for the class reference wall.
Intervention / reteach	Reteach the target in a short small group using the same materials; split the day's check for understanding into two smaller steps.
Enrichment	Extend into an open-ended centre or project connected to the essential question.

Assessment and evidence

Observation: child reads multisyllabic words accurately both in isolation and in text.

Family communication

Ask your child to read you a list of long words.

Day 41 — Words I No Longer Sound Out

Week 9, Day 1 • Unit 3 • Standards: RF.2.3

Focus	Recognising automaticity.
Learning target	"I can read longer words quickly and accurately."
Vocabulary in use	automatic, accurate, in context
Local date	_____

Learning sequence

Connect: decoding work. Teach: what automatic reading feels like. Try: contrasting examples. Apply: children identify automatic words. Reflect: growth noticed.

Check for understanding

Student distinguishes words they read automatically from words they decode.

Differentiation in the moment

If the learner...	Then...
needs more support	Model the step again with guided support, then fade to a gesture cue.
is ready for more	Invite the learner to demonstrate for a peer or add a second example.
is dysregulated	Pause instruction, move to co-regulation, and return to the target later.

Closure and reflection

Gather the group. Restate the learning target. Ask one learner to demonstrate. Name one specific thing the group did well, then preview tomorrow.

Teacher reflection (fictional example)

Fictional Example — Customize and Verify Before School Submission.

Most learners met the target. Two needed the visual cue repeated during guided practice; I will pre-teach with them tomorrow. The extension held attention longer than planned, so I shortened closure.

Day 42 — Reading Long Words Quickly

Week 9, Day 2 • Unit 3 • Standards: RF.2.3

Focus	Building speed accurately.
Learning target	"I can read longer words quickly and accurately."

Source citation

Alaska Department of Education and Early Development. Alaska English/Language Arts Standards. Adopted June 2012. THE K-5 STANDARDS ARE PRINTED THREE GRADES TO A PAGE -- here Kindergarten, Grade 1 and Grade 2 side by side -- so read as linear text the columns interleave and nothing says which grade a statement belongs to. Every statement was taken from the GRADE 2 COLUMN of the actual table cells. FORTY STANDARDS ARE REGISTERED: Reading Literature 9, Reading Informational Text 10, Reading Foundational Skills 2, Writing 7, Speaking and Listening 6 and Language 6. FOUR NUMBERED ROWS ARE DELIBERATELY NOT REGISTERED because the document prints them to say there is no standard there: RL.2.8 "(Not applicable to literature)", W.2.4 and W.2.10 "(Begins in grade 3)" and W.2.9 "(Begins in grade 4)". READING FOUNDATIONAL SKILLS DROPS FROM FOUR STANDARDS TO TWO AT THIS GRADE, and that is the document's doing rather than an omission: Print Concepts and Phonological Awareness end after Grade 1, so Grade 2 carries only Phonics and Word Recognition and Fluency. The numbering was cross-checked against the neighbouring grades to confirm nothing was lost in extraction. THE MAPPING IS HAND-WRITTEN, STANDARD BY STANDARD.
