Differentiation and supports

Support area	This week's plan
Special education / IEP	Reduce group size; pair visual cue cards with all verbal directions; allow gesture or picture response in place of speech; pre-teach the week's target in a 1:1 warm-up.
Section 504	Provide the child's documented accommodations throughout; permit movement breaks and alternative seating at any point in the sequence.
Multilingual learners	Introduce each vocabulary word with an object or image; accept home-language responses; send the vocabulary list home where a translation is available; pair with a peer who shares the home language.
Advanced / extension	Ask the learner to teach the skill to a peer, extend the task, or record a demonstration for the class reference wall.

Support area	This week's plan
Intervention / reteach	Reteach the target in a short small group using the same materials; split the day's check for understanding into two smaller steps.
Enrichment	Extend into an open-ended centre or project connected to the essential question.

Assessment and evidence

A short piece on a self-chosen topic.

Family communication

Ask your child what they wrote about.

Day 41 — Choosing My Topic

Week 9, Day 1 · Unit 3 · Standards: WL.G5.12, WL.G5.13, WL.G5.2

Focus	Choice.
Learning target	"I can write about a topic that interests me."
Vocabulary in use	interest, topic, vocabulary
Local date	_____

Learning sequence

Connect: presenting. Teach: choosing something we actually want to say something about. Try: shared choosing. Apply: pupils choose. Reflect: motivation matters more here than anywhere; PUPILS CHOOSE and nothing personal is required.

Check for understanding

Student chooses a topic of personal interest.

Differentiation in the moment

If the learner...	Then...
needs more support	Model the step again with guided support, then fade to a gesture cue.
is ready for more	Invite the learner to demonstrate for a peer or add a second example.
is dysregulated	Pause instruction, move to co-regulation, and return to the target later.

Closure and reflection

Gather the group. Restate the learning target. Ask one learner to demonstrate. Name one specific thing the group did well, then preview tomorrow.

Teacher reflection (fictional example)

Fictional Example — Customize and Verify Before School Submission.

Most learners met the target. Two needed the visual cue repeated during guided practice; I will pre-teach with them tomorrow. The extension held attention longer than planned, so I shortened closure.

Day 42 — Finding the Words I Need

Week 9, Day 2 · Unit 3 · Standards: WL.G5.12, WL.G5.13, WL.G5.2

Local date	_____

Learning sequence

Check for understanding

Student looks up and checks a word they need.

Differentiation in the moment

If the learner...	Then...
needs more support	Model the step again with guided support, then fade to a gesture cue.
is ready for more	Invite the learner to demonstrate for a peer or add a second example.

Oklahoma State Department of Education. Oklahoma Academic Standards for World Languages (2022). Oklahoma keys world languages on ACTFL PROFICIENCY, not on grade, and defines the sublevel abbreviations itself - Novice Low (NL) through Advanced Mid (AM). Goal 1 (Communication) is written on that ladder; Goals 2-5 (Culture, Connections, Comparisons, Communities) are not ladderized and apply at every level, so they are cited alongside the level. The document prints "can-do" statements without citation numbers, so the sequence number in each code is added by this product; the proficiency level is Oklahoma's own.
