Differentiation and supports

Support area	This week's plan
Special education / IEP	Reduce group size; pair visual cue cards with all verbal directions; allow gesture or picture response in place of speech; pre-teach the week's target in a 1:1 warm-up.
Section 504	Provide the child's documented accommodations throughout; permit movement breaks and alternative seating at any point in the sequence.
Multilingual learners	Introduce each vocabulary word with an object or image; accept home-language responses; send the vocabulary list home where a translation is available; pair with a peer who shares the home language.
Advanced / extension	Ask the learner to teach the skill to a peer, extend the task, or record a demonstration for the class reference wall.

Support area	This week's plan
Intervention / reteach	Reteach the target in a short small group using the same materials; split the day's check for understanding into two smaller steps.
Enrichment	Extend into an open-ended centre or project connected to the essential question.

Assessment and evidence

An everyday interaction role-played with culturally appropriate language.

Family communication

Ask your child how greetings differ in the target culture.

Day 41 — Greetings Are Not Neutral

Week 9, Day 1 · Unit 3 · Standards: NH.PS.4, NH.PS.5, NH.PS.6

Focus	The cultural point.
Learning target	"I can handle an everyday interaction the way it is actually done."
Vocabulary in use	greetings, politeness forms, transactional phrases
Local date	_____

Learning sequence

TEACHER NOTE FOR THIS UNIT: NO CULTURE IS PRESCRIBED BY THIS PLAN and NO PUPIL IS ASKED TO EXPLAIN, DEMONSTRATE OR REPRESENT THEIR OWN CULTURE OR HOME LANGUAGE. Choose material you have the standing and knowledge to teach; do not present any culture as having one set of practices; do not describe a living culture in the past tense. Connect: classroom phrases. Teach: that who greets whom, how, and how much contact there is are cultural rather than universal. Try: shared practice. Apply: pupils greet appropriately.

Check for understanding

Student greets appropriately for the target culture.

Differentiation in the moment

If the learner...	Then...
needs more support	Model the step again with guided support, then fade to a gesture cue.
is ready for more	Invite the learner to demonstrate for a peer or add a second example.
is dysregulated	Pause instruction, move to co-regulation, and return to the target later.

Closure and reflection

Gather the group. Restate the learning target. Ask one learner to demonstrate. Name one specific thing the group did well, then preview tomorrow.

Teacher reflection (fictional example)

Fictional Example — Customize and Verify Before School Submission.

Most learners met the target. Two needed the visual cue repeated during guided practice; I will pre-teach with them tomorrow. The extension held attention longer than planned, so I shortened closure.

Day 42 — Formality and Who You Are Speaking To

Week 9, Day 2 · Unit 3 · Standards: NH.PS.4, NH.PS.5, NH.PS.6

Focus	Register.
Learning target	"I can handle an everyday interaction the way it is actually done."
Vocabulary in use	greetings, politeness forms, transactional phrases
Local date	_____

Learning sequence

Connect: greetings. Teach: how the language changes with the person addressed, and that getting this wrong is more noticeable than a grammar error. Try: shared practice with different partners. Apply: pupils switch register. Reflect: prepares NM.PS.3, NM.PS.4, NM.PS.5 directly.

Check for understanding

Student adjusts formality for a different addressee.

Differentiation in the moment

Learning sequence

Connect: register. Teach: running an everyday transaction from greeting to leaving, including the bits learners skip. Try: shared role-play. Apply: pupils complete one. Reflect: the standard is about the whole interaction.

Focus	Flexibility.
Learning target	"I can handle an everyday interaction the way it is actually done."
Vocabulary in use	greetings, politeness forms, transactional phrases
Local date	_____

Learning sequence

Connect: transactions. Teach: what to do when the other person says something unexpected - ask, repeat, rephrase - which is what this week's standard's unrehearsed work will need later. Try: shared practice with deliberate deviations. Apply: pupils recover. Reflect: sets up Unit 5.

Check for understanding

Student recovers when a role-play goes off script.
