Differentiation and supports

Support area	This week's plan
Special education / IEP	Reduce group size; pair visual cue cards with all verbal directions; allow gesture or picture response in place of speech; pre-teach the week's target in a 1:1 warm-up.
Section 504	Provide the child's documented accommodations throughout; permit movement breaks and alternative seating at any point in the sequence.
Multilingual learners	Introduce each vocabulary word with an object or image; accept home-language responses; send the vocabulary list home where a translation is available; pair with a peer who shares the home language.
Advanced / extension	Ask the learner to teach the skill to a peer, extend the task, or record a demonstration for the class reference wall.
Intervention / reteach	Reteach the target in a short small group using the same materials; split the day's check for understanding into two smaller steps.

Support area	This week's plan
Enrichment	Extend into an open-ended centre or project connected to the essential question.

Assessment and evidence

A final version presented for a stated purpose.

Family communication

Ask your child who their piece was made for.

Day 41 — The Same Standard in Both Sections

Week 9, Day 1 • Unit 3 • Standards: 8.FPA.C3, 8.FPA.R3

Focus	Why this week is shared.
Learning target	"I can present a final version of my creation for a specific purpose."
Vocabulary in use	final, purpose, presentation
Local date	_____

Learning sequence

BOTH STRANDS. Connect: Unit 2's refining. Teach: the document prints it identically at all three middle school levels, which is why this week serves both a general music class and an ensemble. Try: shared reading of the standard. Apply: pupils state what it asks. Reflect: what changes between levels is the work, not the words.

Check for understanding

Student states what the standard requires.

Differentiation in the moment

If the learner...	Then...
needs more support	Model the step again with guided support, then fade to a gesture cue.
is ready for more	Invite the learner to demonstrate for a peer or add a second example.
is dysregulated	Pause instruction, move to co-regulation, and return to the target later.

Closure and reflection

Gather the group. Restate the learning target. Ask one learner to demonstrate. Name one specific thing the group did well, then preview tomorrow.

Teacher reflection (fictional example)

Fictional Example — Customize and Verify Before School Submission.

Most learners met the target. Two needed the visual cue repeated during guided practice; I will pre-teach with them tomorrow. The extension held attention longer than planned, so I shortened closure.

Day 42 — Deciding the Purpose First

Week 9, Day 2 · Unit 3 · Standards: 8.FPA.C3, 8.FPA.R3

Focus	The standard's key phrase.
Learning target	"I can present a final version of my creation for a specific purpose."
Vocabulary in use	final, purpose, presentation
Local date	_____

Learning sequence

Connect: the standard. Teach: that A SPECIFIC PURPOSE changes everything about a presentation - to be played by others, to accompany something, to be listened to, to be assessed - and that presenting without one is just handing something in. Try: shared purpose-setting. Apply: pupils state a purpose for their piece. Reflect: purpose decides format.

Check for understanding

Student states a specific purpose for their creation.

Day 43 — What the Purpose Requires

Week 9, Day 3 · Unit 3 · Standards: 8.FPA.C3, 8.FPA.R3

Focus	Preparation.
Learning target	"I can present a final version of my creation for a specific purpose."
Vocabulary in use	final, purpose, presentation
Local date	_____

Learning sequence

Connect: purpose. Teach: matching the presentation to the purpose - a piece for others to play needs clean parts, a piece to be heard needs a good performance or recording, a piece to be assessed needs its criteria attached. Try: shared preparation. Apply: pupils prepare accordingly. Reflect: Week 5's notation and this week's purpose meet here.

Check for understanding

Student prepares a presentation matched to its purpose.

Differentiation in the moment

needs more support	Model the step again with guided support, then fade to a gesture cue.

Day 44 — How You Want It Presented

Week 9, Day 4 · Unit 3 · Standards: 8.FPA.C3, 8.FPA.R3

Focus	The pupil's choice.
Learning target	"I can present a final version of my creation for a specific purpose."
Vocabulary in use	final, purpose, presentation
Local date	_____

Learning sequence

Connect: preparation. Teach: that pupils choose how their work is presented - performed by them, performed by others, played from a recording, or given as notation only - and that all four satisfy the standard. Try: shared choosing. Apply: pupils choose and prepare. Reflect: NO PUPIL PERFORMS SOLO TO THE CLASS UNLESS THEY CHOOSE TO; every route here meets the standard in full.

Check for understanding

Student chooses a presentation route and prepares for it.

Differentiation in the moment

needs more support	Model the step again with guided support, then fade to a gesture cue.

Vocabulary in use	final, purpose, presentation
Local date	_____
